

ULTRA SALINE NASAL MIST

Use: for relief of dry, irritated nasal membranes.

Directions: Adults and children: 2 to 6 drops or sprays in each nostril as needed or as directed by a doctor. Wipe nozzle after use. Hold bottle upside down for drops; upright for spray.

Warnings: the use of this bottle by more than one person may spread infection. If pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children.

In case of ingestion, get medical help or contact a Poison Control Center right away.

Store at room temperature.

Ingredients: water, disodium phosphate, sodium chloride, sodium phosphate, phenethyl alcohol, benzalkonium chloride.

Tamper-evident: do not use if the seal around the cap is broken or missing.
