****This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Each softgel contains 20 mg of garlic concentrate which is equivalent to 5,000 mg of fresh garlic bulb. Garlic has been traditionally used as a part of our diet for its various health benefits.

Publications in scientific journals indicate that garlic may help enhance blood circulation and boost overall cardio health.**

The oil concentrate used in this product is specially processed to reduce the odor to a minimum level and can be easily tolerated by most individuals.
