

PURE ALOE VERA GEL

Aloe Vera Gel cools and soothes irritated and dry, sunburned skin. The natural moisturizing properties of the Aloe Vera help to prevent peeling and scaling. Acts to soothe and soften rough, dry skin.

Direction:

Apply evenly over dry or sunburned skin areas which need the moisturizing benefits of Aloe Vera. Reapply as often as needed.

Ingredients:

Aloe Barbadensis (Aloe Vera) Leaf Juice, Water, Glycerin, Triethanolamine, Carbomer 940, Propylene Glycol, Imidazolidinyl Urea, Methylparaben, Disodium EDTA, Propylparaben, Citric Acid, FD&C Yellow #5, FD&C Blue #1.
